

## **Madonna arts and Science College for women**

### **Project Report.**

#### **Introduction :**

Canva is simply outstanding as a tool to create designs. Using Canva is such a seamless experience that once one can sit down to design and don't feel like getting up. It's addictive and useful.

#### **1.1 Overview :**

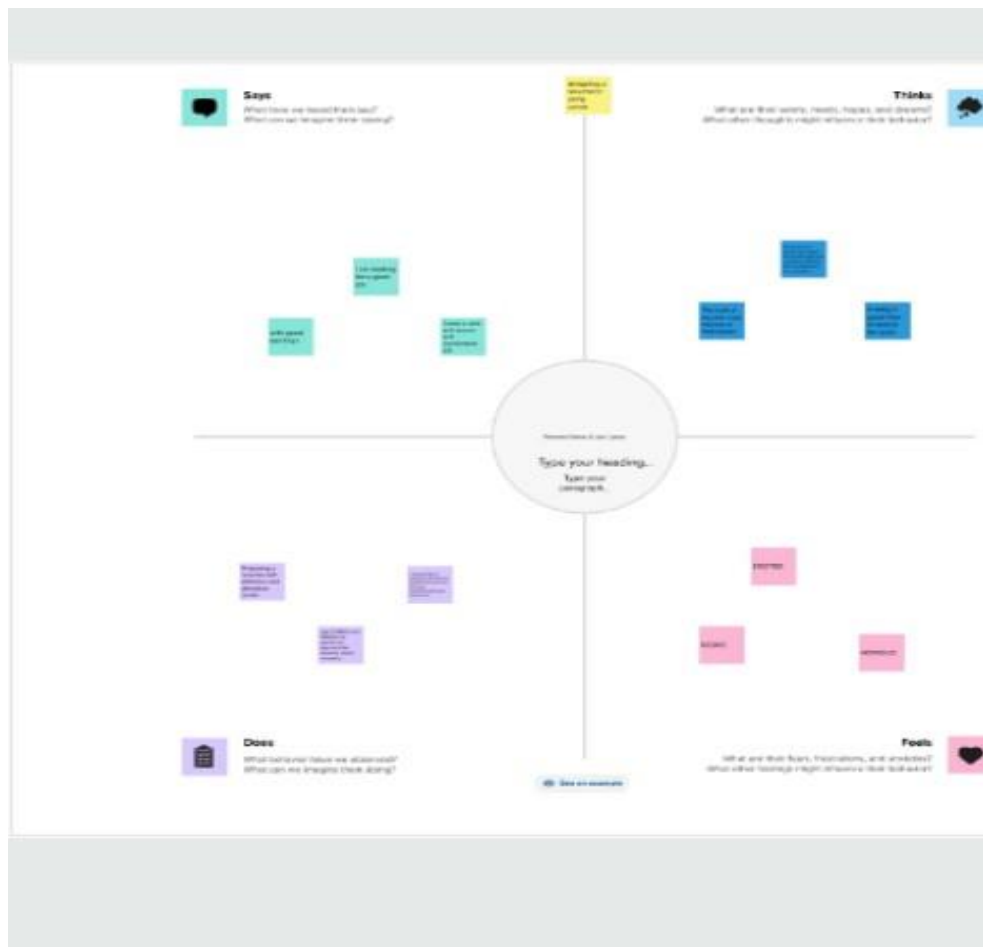

After gathering information for creating **CV** in Canva the user can find a Template and customize the design and can incorporate the visual elements by using icons or symbols to enhance the visual approach of Resume. By using appropriate colours from Colour Palette and fonts from Typography I align the personal branding and the overall design for my project.

#### **1.2. Purpose**

Users taking this project will obtain the ability to create a job application ready Resume using this Canva platform. The primary objective was to craft a modern, professional Resume that would stand out to potential employers.

#### **Problem Definition & Design Thinking**

##### **2.1. Empathy Map**

## 2.2. Ideation & Brainstorming Map :

## 3. Result :

#### 4. Advantages and Dis advantage:

- ❖ It has been an instrumental in securing job interviews and opportunities.
- ❖ The Resume stands out among competing candidates, demonstrating my design skills and attention to detail.
- ❖ User can use only in the online mode. ..

#### 5. Conclusion:

The Canva Resume Design project was a successful endeavour, resulting in a modern and visually striking Resume that effectively represent my professional profile. This project reinforced my design skills, attention to detail, and ability to create impactful visuals and commitment to presenting myself professionally.
